On Monday we went to Willowbank. First we saw lemurs. Then we saw birds. Next we saw horses. After that we fed them. Finally we had lunch. I think it was cool.

Willowbank

A huge THANK YOU to our school PTA and to Scope for donating so much money to our trip, we couldn't have done it without you!!

We enjoyed the walk through Styx Mill Reserve. It was long and hot and a great adventure.

At Willowbank our children were excited and extremely well behaved. The ducklings, the tractor and the animal food were a hit.
